

EXCESS BAGGAGE/EQUIPMENT LIST**TOUR NAME/NUMBER:** _____

The circuit you will be touring on requires the following information for customs and for transporting your equipment. Please be as specific as possible. You are allowed no more than 20 pieces excess baggage/equipment with a maximum of 1,400 total pounds. No single piece should exceed 62 linear inches and weigh more than 70 pounds. All dimensions and weight must be measured as prepared for shipment. If a piece measures in excess of 62 inches it will be counted as two (2) pieces. If a piece weighs in excess of 70 pounds it will be counted as two (2) pieces. Pieces over 100 lbs are not authorized, and airline charges for overweight or oversize pieces will be the responsibility of the band.
